

# “Let the little children come to Me; for the kingdom of God belongs to such as these.”

**Y**outh is fleeting. And they're only young once. You have limited time and resources to impact their lives for eternity. To speak to them in a manner they understand and can relate to. *The Story of Jesus for Children* can help you do just that.

It's a new entertaining and inspirational video for kids, made for such a time as this. Based on the classic original dramatic film *JESUS*, *The Story of Jesus for Children* dramatizes the life of Jesus through the eyes of children as they might have experienced during the time Jesus lived on the earth. Your child will hear and see the gospel story from the

viewpoint of their own peers.

But *The Story of Jesus for Children* is not only a great dramatic presentation of the gospel. It also comes with a Discipleship Guide to help leaders show the tape and follow up with children's questions and interests. An entertaining dynamic ministry tool.

So don't delay. While their whole life is ahead of them, share *The Story of Jesus for Children*. When their whole life is behind them, they'll be glad that you did.

# They'll Watch It Over And Over Again.

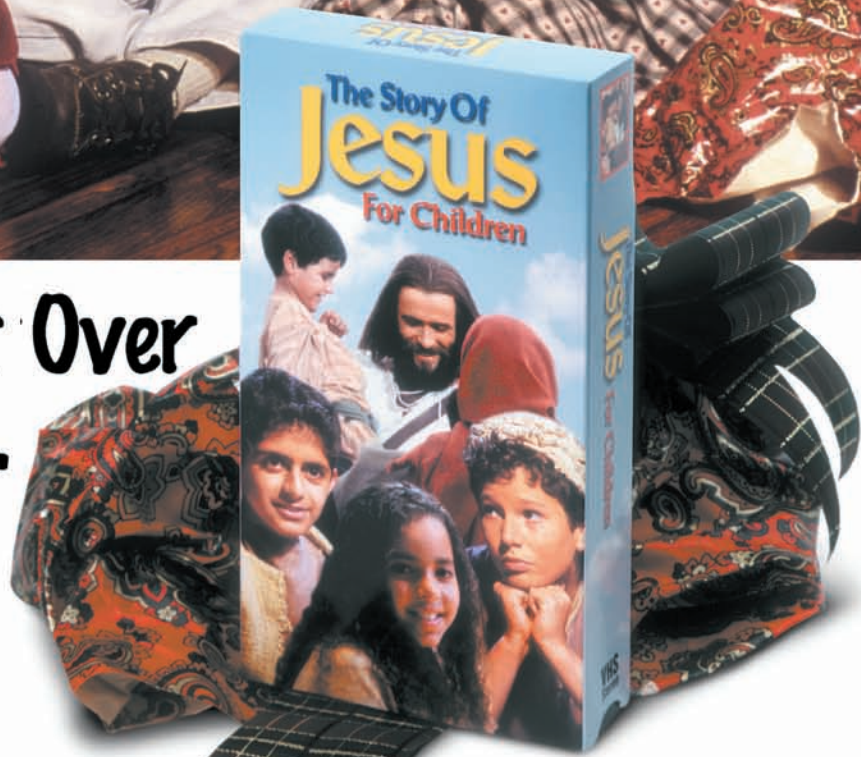

Children love gifts. And they simply adore videos. They'll wear out the VCR watching their favorite ones over and over. Now imagine them watching the story of Jesus on video, as seen through the eyes of children who might have lived during the time Jesus lived on earth. That's what *The Story of Jesus for Children* is! An adaptation of the original classic movie *JESUS*, taken from the Gospel of Luke. And they'll treasure it for years to come.

No matter what age your children are, this Christmas, buy them the one video you won't mind them watching over and over — and over again. Buy them *The Story of Jesus for Children*.
