What was it like to be there? To walk with the Master. To sit at his feet and hear his teaching. To be an eyewitness of His resurrection. Imagine seeing a blind man healed, or eat from the multiplied fish and loaves.

Too often, we find ourselves distant and removed from such amazing events in history – in *His* story. We long to have actually been there ourselves. With the movie **JESUS**, you can

I know because I was there.

experience those vivid moments in all their dramatic clarity.

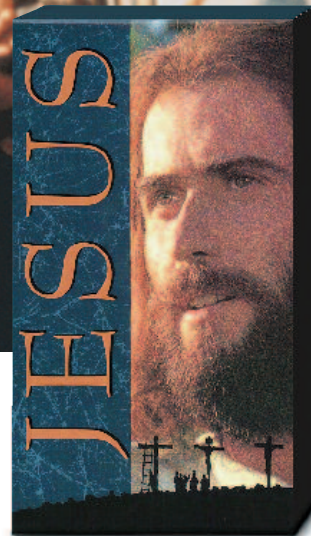

Filmed entirely on location in the Holy Land, this two-hour dramatic presentation from the Gospel of Luke is biblically accurate. A quality video at an affordable price.

Order your copy of **JESUS** now, and add a whole new dimension to your understanding of the gospels. It'll be like you're there with Jesus and His disciples, amazed and worshipful, touching His hands and feet.

Why just listen to the greatest story ever told when you can *experience* it?
